Education

Bachelor of Arts, Major in **Visual Arts** - University of British Columbia

Sept 2023 - May 2027

Work Experience

UI/UX designer

Emerging Media Lab | Vancouver, BC

May 2025 - May 2026

- Designed UX workflows and interactive interfaces for research-driven digital experiences.
- Procedural Poetry Funhouse(VR)**: Designed immersive VR interactions, user flows, and prototypes using Figma and Unreal Engine, applying spatial storytelling principles to create an engaging virtual experience.
- Conducted user testing sessions and iterated interaction designs based on user feedback.
- Gaussian Splat Virtual Soil Viewer (Web)**: Designed the user experience for a web-based 3D soil visualization tool, translating complex Gaussian Splat models into an accessible and intuitive exploration experience.

New Media Technical Assistant

UBC AHVA New Media Lab | Vancouver, BC

Sep 2024 - May 2025

- Supported the development of interactive installations, digital artworks, and experimental media projects involving web technologies, physical computing, and multimedia systems. Provided technical guidance and digital production workflows.
- Collaborated with artists and students to prototype and troubleshoot technology-driven creative projects.

Lifeguard & Swim Instructor

City of Surrey

Mar 2023 - Mar 2025

- Certified Lifeguard and Swim Instructor with strong leadership, communication, and problem-solving skills developed through safety-critical environments and personalized instruction.

Leadership & Volunteer

President

Visual Arts Student Association (VASA) | UBC

May 2025 - May 2026

- Managed executive team operations, organized community events, and designed visual communications to strengthen engagement within the Visual Arts community.

ACM SIGGRAPH SV

Siggraph 2025 | Vancouver, BC

August 2025

- Supported conference operations while collaborating with researchers, artists, and industry professionals at an international conference on computer graphics and interactive technologies.
